(cover @ms.hopy)

Intro: Cm/ Gm/

```
     Eb                        Bb
I've made up my mind, don't need to think it over
       Gm                         G#
if I'm wrong I am right, don't need to look no further
             Cm      Gm      Eb  Gm     Eb            Bb
this ain't lust, I....  know this is love, but  if I tell the world, I'll never say enough
             Gm                        G#
'Cause it was not said to you  and that's exactly
              Cm      Gm  Gm/ Gm/
what I need to do if I'd end up... with  you
```

Chorus:

```
Eb          Gm            Cm                    Gm      G#      Bb
Should I give up or should I just keep chasing pavements. Even if it leads nowhere?
     Eb          Gm         Cm       Gm        G#      Bb
Or would it be a waste even if I knew my place, Should I leave it there?
Eb          Gm            Cm                    Gm      G#       Bb  Eb
Should I give up or should I just, keep chasing pavements, even if it leads nowhere?
```

```
   Eb                    Bb                     Gm
I build myself up and fly around in circles waiting as my heart drops and
    G#                       Cm         Gm Gm/ Gm/
my back begins to tingle, finally could this be... it? Or...
```

Chorus

Bridge:

```
G#                          Gm
Should I give up or should I just keep chasing pavements,
       Cm          Gm
even if it leads nowhere?
          G#                Gm
Or would it be a waste even if I knew my place,
         Cm                      Bb
Should I leave it there? Should I give up?
              Eb        Gm      Cm      Gm
Or should I just keep on chasing pavements
         Eb        Gm     Cm     Gm       G#
Should I just keep on chasing pavements?  OooOooh
```
