still enough time to figure out how to chase my blues away.

and when the night falls, loneliness calls.

Oh! I wanna dance with somebody, I wanna feel the heat with somebody.

Yeah! I wanna dance with somebody, with somebody who loves me.

I've been in love and lost my senses, spinning through the town,
A Bm
soon or later the fever ends, and I wind up feeling down.

I need a man who'll take a chance, on a love that burns hot enough to last.

So when the night falls, my lonely heart calls.
