Everybody here is watching you, cause you feel like home, you're like a dream come true.

But if by chance you're here alone can I have a moment, before I go,
Am Em F C Dm G
Cause I've been by myself all night long, hoping you're someone ...I used to know...

You look like a movie; ...You sound like a song, my god this reminds me;
Em G
when we were young...

Chorus: C Em F G
Let me photograph you in this light in case it is the last time;
C Em F G
that we might be exactly like we were before we realized.

We were sad of getting old, it made us restless ...

it was just like a movie, it was just like a song.
